CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The Seller's liability under this warranty is limited in amount to the purchase price of the product. This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.

APPLICATION RECOMMENDATIONS

Warm Season Grasses:

For continued optimal growing conditions, apply **VERDE-CAL NKG** at 8 pounds per 1,000 ft² or 350 pounds per acre once or twice during the growing season, or as needed. Soil test recommendations should be followed.

Cool Season Grasses:

For continued optimal growing conditions, apply **VERDE-CAL NKG** at 8 to 10 pounds per 1,000 ft² or 350 to 440 pounds per acre once or twice during the growing season, or as needed. Soil test recommendations should be followed.

When using effluent water on Greens and Tees, for excessive sodium correction, apply **VERDE-CAL NKG** at 10 pounds per 1,000 ft² every month during the growing season.
